

Certification

In recognition of Federal Office for Information Security (BSI)'s achievement of FIDO®
Level 3+ Authenticator Certification

Company: Federal Office for Information Security (BSI)

Product: -de.fac2

Specification: Universal Second Factor (U2F)

Specification Version: 1.1 (2016-12-07)

Implementation Class: Authenticator

Level: L3+

Operating System: Sm@rtCafé® Expert 7.0 C3 OS

Restricted Operating Environment: IFX M5073 G11 Secure Element

Functional Policy Version: 1.3.7

Authenticator Policy Version: 1.3

Interoperability Date: December 9th, 2020

Conformance Self-Validation Date: October 6th, 2020

Accredited Security Laboratory: TUV Informationstechnik GmbH

FIDO Evaluation Report Approval Date: January 15th, 2021

Certificate No.

U2F100020210115001

Issued

15 January 2021
